

## F-Secure and TIVIT/CSW

Antti Reijonen, VP Solution and Portfolio Management

2 November 2011

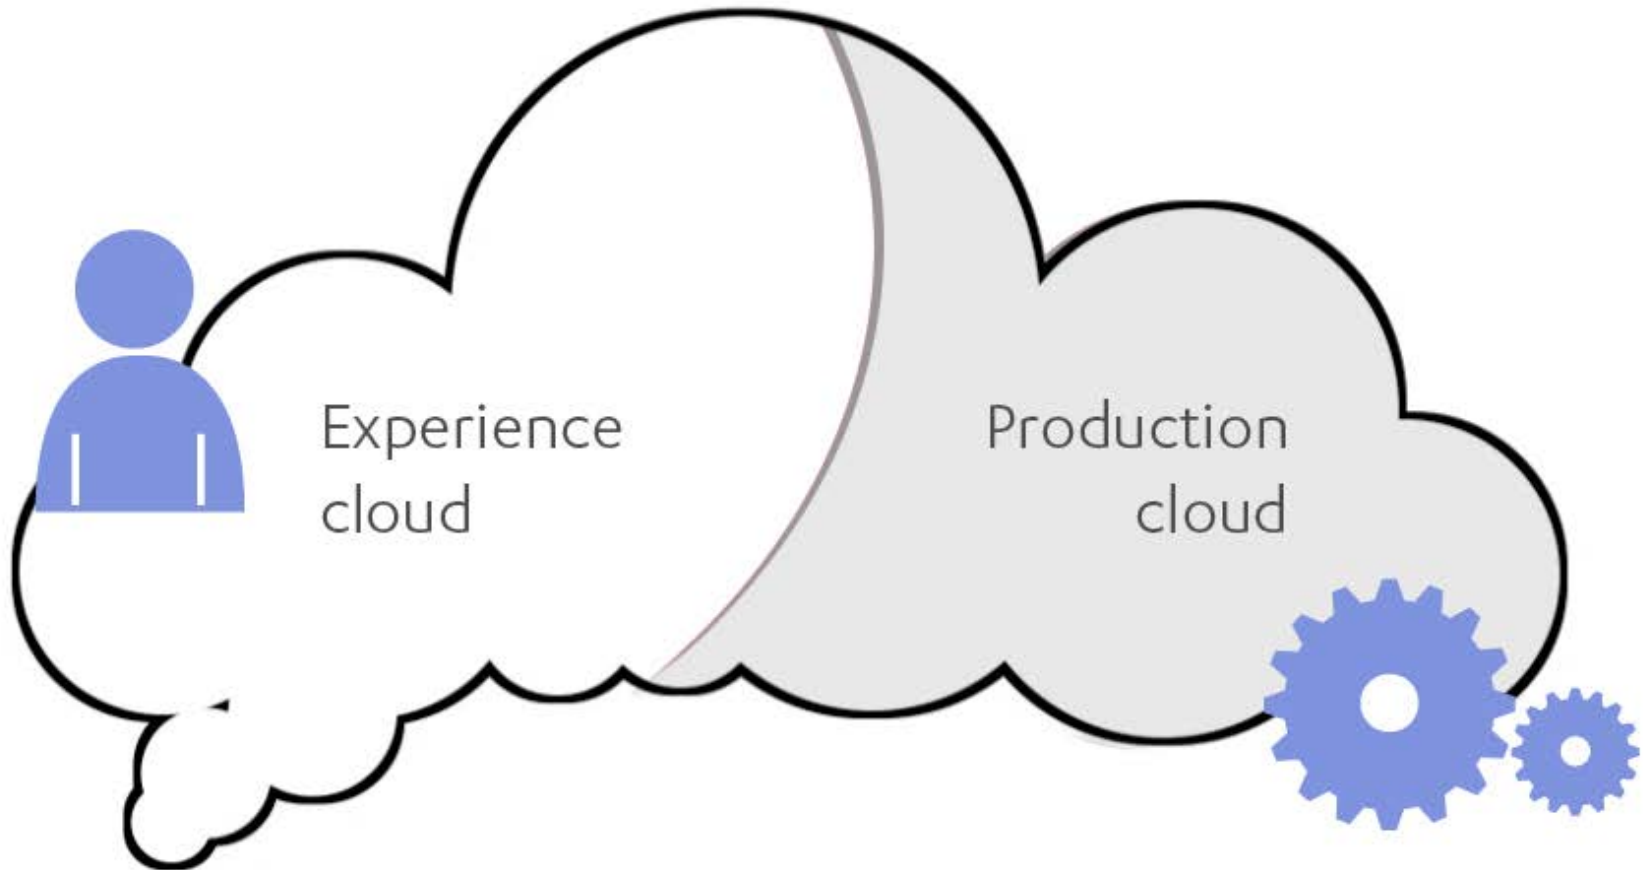

A photograph of two men walking on a paved path in a park. The man on the left is wearing a light blue polo shirt and dark trousers, holding a white coffee cup and a folder. The man on the right is wearing a white long-sleeved shirt and grey trousers, also holding a folder. They are both smiling and appear to be in conversation. In the background, there are large trees, a grassy area, and a couple sitting on a bench.

**We enable millions of people to  
safely enjoy the exciting  
opportunities of their connected  
lives**

**2011: Leader in providing value  
added services to consumers  
through operators**

# Cloud in F-Secure business

---

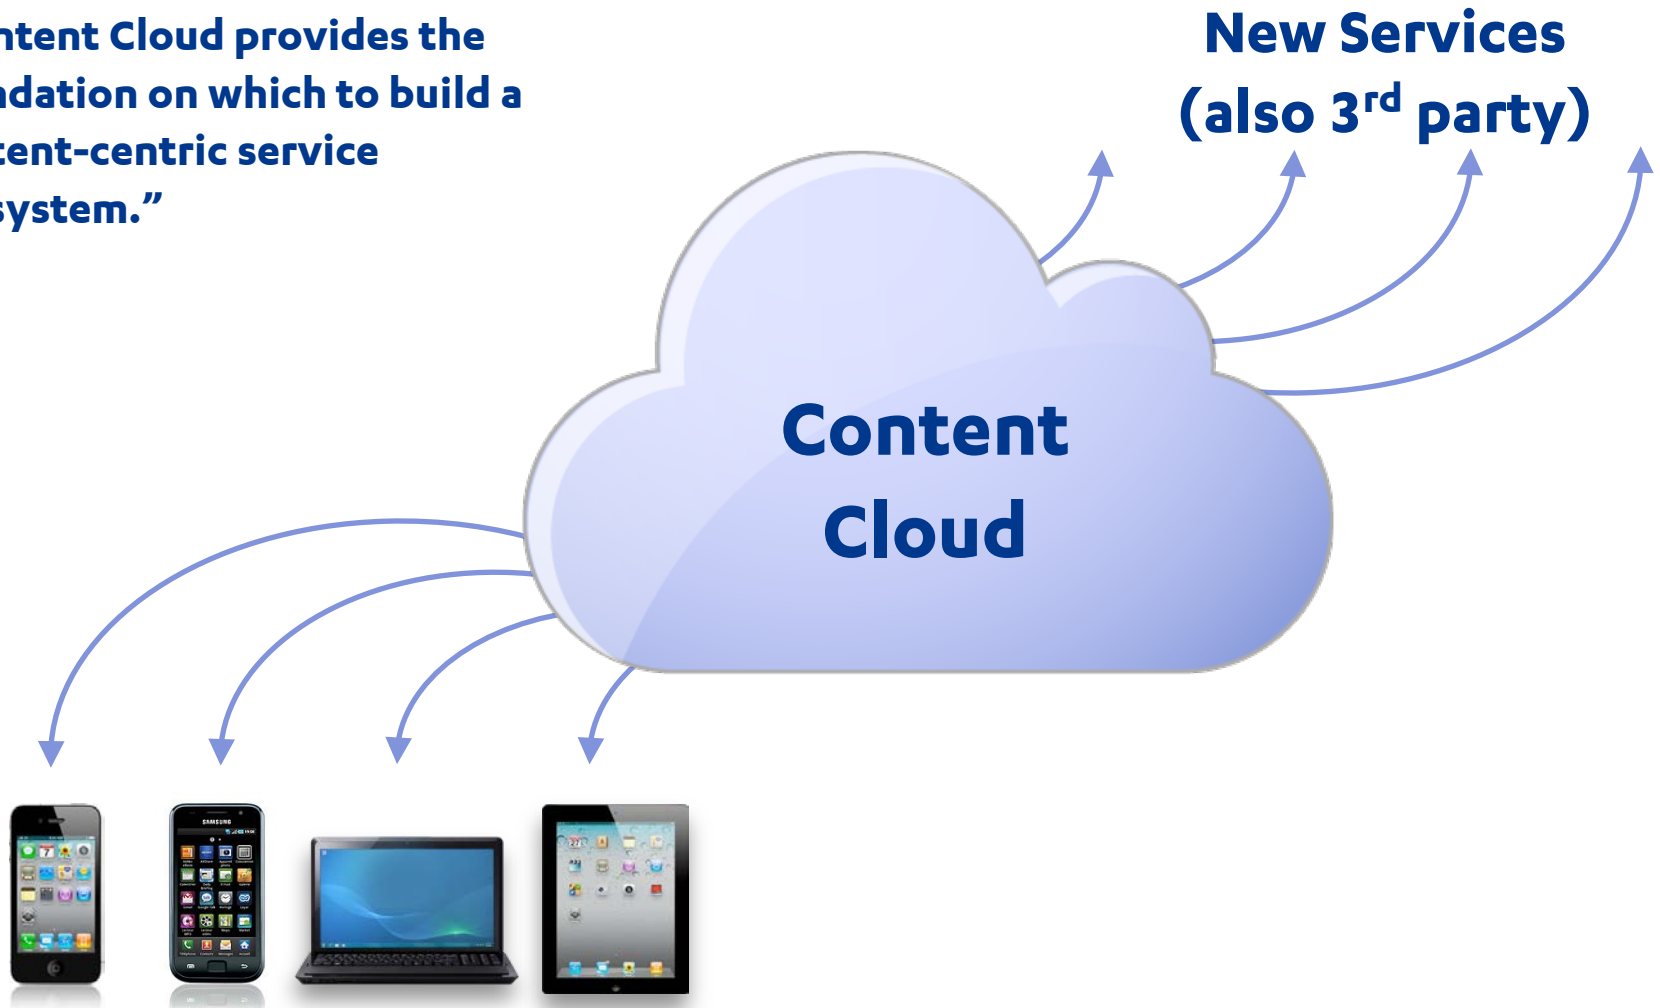

**Call for trusted  
and local services**

# Doing It Together

**“Content Cloud provides the foundation on which to build a content-centric service ecosystem.”**

# F-Secure and TIVIT/CSW

---

## Benefits from collaboration...

- Insight and evidence to cloud technology choices e.g., OpenStack, QT, html5
- Insights to end user attitudes towards cloud, purchase preferences and operator channel views

## Expectations for the future...

- Developer ecosystem best practices
- Open model for start-ups to easily join ecosystem projects
- “Next phase thinking” and truly world class insights

Protecting  
the  
irreplaceable
